24 **DECLARATION OF DANIEL AYALA IN
25 SUPPORT OF DEBTOR'S MOTION TO
26 QUASH CHRIS MCALARY'S SUBPOENA
27 FOR RULE 2004 EXAMINATION**

28 Hearing Date: October 19, 2023

Hearing Time: 10:30 a.m.

21 I, Daniel Ayala, declare as follows:

22 1. I am the Independent Director of Cash Cloud, Inc., dba Coin Cloud, the debtor and
23 debtor-in-possession (the "Debtor").

24 2. In my capacity as the Independent Director of the Debtor, I am familiar with the Cole
25 Kepro Litigation that is still pending in the Eighth Judicial District Court of Clark County, Nevada.

26 3. Except as otherwise indicated herein, this Declaration is based upon my personal
27 knowledge. I am over the age of 18 and am mentally competent. If called upon to testify, I would

1 testify competently to the facts set forth in this Declaration.¹ I make this Declaration in support of
 2 the motion captioned above.

3 **A. Cole Kepro Litigation**

4 4. On June 17, 2022, the Debtor filed a Complaint in State Court against Defendant titled
 5 Cash Cloud Inc. v. Cole Kepro Int'l, LLC, Case No. A-22-854226-C (“State Court Complaint”),
 6 seeking damages for among other things, breach of contract, breach of the implied covenant of good
 7 faith and fair dealing, breach of implied warranties, and Violation of Nevada’s Deceptive Trade
 8 Practices Act.

9 5. The UCC is in negotiations with Cole Kepro to settle the State Court Complaint.

10 6. McAlary has made several offers to purchase the rights to the State Court Complaint,
 11 which Debtor has repeatedly rejected.

12 **B. McAlary’s Proof of Claims**

13 7. On June 14, 2023, McAlary filed his Proof of Claim (the “McAlary Claim”) in the
 14 Chapter 11 Case. See Proof of Claim No. 123, attached hereto as **Exhibit 1**.

15 8. The McAlary Claim is based on an unsecured loan, deferred salary and reimbursed for

17 **C. McAlary’s Subpoena**

18 9. On August 25, 2023, McAlary served his Subpoena, attached hereto as **Exhibit 2**.

19 10. McAlary’s Subpoena seeks information concerning the State Court Complaint and the
 20 valuation of claims associated therein. None of the matters for examination or request for production
 21 relate to the Chapter 11 case since no sale of the litigation claim has occurred or the pending litigation
 22 resolved. *See generally* Ex. 2.

23 11. Every one of McAlary’s seven topics for examination in the Subpoena, refers to the
 24 State Court Complaint pending in Nevada:

- 25 i. Any Document or Communication Responsive to any Request, whether or not
 26 produced.
 ii. The Debtor’s valuation of Estate claims against Cole Kepro.

27 1 Unless otherwise defined herein, all capitalized terms have the meanings ascribed them in
 28 the Motion.

- iii. The Debtor's analysis and consideration of the offers of Movant to purchase the Cole Kepro Claims.
 - iv. The Debtor's communications with any Party regarding McAlary's offers to purchase the Cole Kepro Claims.

Ex. 2, at 12.

Federal Rule of Civil Procedure 45(c), (d), (e), and (g) (Effective 12/1/13)
(made applicable in bankruptcy cases by Rule 9016, Federal Rules of Bankruptcy Procedure)

(c) Place of compliance.

- (1) *For a Trial, Hearing, or Deposition.* A subpoena may command a person to attend a trial, hearing, or deposition only as follows:
- (A) within 100 miles of where the person resides, is employed, or regularly transacts business in person; or
 - (B) within the state where the person resides, is employed, or regularly transacts business in person, if the person
 - (i) is a party or a party's officer; or
 - (ii) is commanded to attend a trial and would not incur substantial expense.

(2) *For Other Discovery.* A subpoena may command:

- (A) production of documents, or electronically stored information, or things at a place within 100 miles of where the person resides, is employed, or regularly transacts business in person; and
- (B) inspection of premises, at the premises to be inspected.

(d) Protecting a Person Subject to a Subpoena; Enforcement.

(1) *Avoiding Undue Burden or Expense; Sanctions.* A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The court for the district where compliance is required must enforce this duty and impose an appropriate sanction — which may include lost earnings and reasonable attorney's fees — on a party or attorney who fails to comply.

(2) *Command to Produce Materials or Permit Inspection.*

(A) *Appearance Not Required.* A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) *Objections.* A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises — or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(i) At any time, on notice to the commanded person, the serving party may move the court for the district where compliance is required for an order compelling production or inspection.

(ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) *Quashing or Modifying a Subpoena.*

(A) *When Required.* On timely motion, the court for the district where compliance is required must quash or modify a subpoena that:

- (i) fails to allow a reasonable time to comply;
- (ii) requires a person to comply beyond the geographical limits specified in Rule 45(c);
- (iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) *When Permitted.* To protect a person subject to or affected by a subpoena, the court for the district where compliance is required may, on motion, quash or modify the subpoena if it requires:

- (i) disclosing a trade secret or other confidential research, development, or commercial information; or

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party.

(C) *Specifying Conditions as an Alternative.* In the circumstances described in Rule 45(d)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

- (i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and
- (ii) ensures that the subpoenaed person will be reasonably compensated.

(e) Duties in Responding to a Subpoena.

(1) *Producing Documents or Electronically Stored Information.* These procedures apply to producing documents or electronically stored information:

(A) *Documents.* A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) *Form for Producing Electronically Stored Information Not Specified.* If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) *Electronically Stored Information Produced in Only One Form.* The person responding need not produce the same electronically stored information in more than one form.

(D) *Inaccessible Electronically Stored Information.* The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(2) *Claiming Privilege or Protection.*

(A) *Information Withheld.* A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

- (i) expressly make the claim; and
- (ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) *Information Produced.* If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information under seal to the court for the district where compliance is required for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

...

(g) *Contempt.* The court for the district where compliance is required — and also, after a motion is transferred, the issuing court — may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena or an order related to it.

b. Spreadsheets, accounting files, general ledgers, databases, and datasets shall be produced in native format. All formulas, macros, and other non-visible content shall remain intact.
